

Adopt a Café Initiative

Senior Connections, The Capital Area Agency on Aging's Friendship Cafés are neighborhood gathering places where older adults can benefit from nutritious lunches, fun social events, exercise, recreation, life-long learning, artistic activities as well as health and wellness programming. The *Adopt a Café Initiative* is a community outreach effort designed to raise much needed funds for programming at our 22 Friendship Cafes located throughout the Greater Richmond Area. With your help, we can enhance the café experience and provide new experiences for our members.

The Adopt a Café Initiative provides the community - individuals, businesses, civic, or faith based organizations - the opportunity to support their neighborhood Friendship Café by adopting a café or becoming a "friend or sponsor" of the café program as well as give our supporters the opportunity to volunteer, if desired.

Your donation makes a difference...

- \$400 takes 25 seniors on a field trip
- \$200 buys arts and craft supplies for 40 seniors
- \$150 provides a café with a games package like bingo, cards, dominos and other board games
- \$100 gives 4 yoga classes a month
- \$50 buys exercise DVDs and equipment

What our members say...

"I come every chance I get. If you set in the house by yourself - well its rough - it's lonely."

"You get to do things would normally not be able to do...like the watercolors...I love the watercolors."
