

VIRTUAL AFRICAN AMERICAN ALZHEIMER'S COMMUNITY FORUM

Challenges and Impacts of Caregiving during COVID-19

alzheimer's  association®

MONDAY, JANUARY 18, 2021 | 10-11:30 A.M.

Join us to learn about Alzheimer's, dementia and memory loss in this brief community-focused listening and open discussion session. We'll touch on the challenges of caregiving during COVID-19 and discuss the impacts this has had on caregivers. During the forum, information will be shared on the services of the Alzheimer's Association and how we can expand the reach of local programs and services in the community. We want to hear from you, so invite a friend and share your thoughts about how the Alzheimer's Association can help more people in your community.

This program will be held on Zoom. It is free, but you must register to participate. Log-in information will be sent to you following registration. Register [HERE](#) or call 800.272.3900.
